Join Us at Our Community Meeting

Carmel Church and Ruther Glen 230 kV Electric Transmission Projects

At Dominion Energy, we are committed to keeping the communities we serve informed of projects in their area. We recently announced the need for two new electric transmission projects in Caroline County, Virginia. We invite you to learn more about the projects at an upcoming community meeting.

Our subject matter experts will be available to answer your questions and listen to your feedback.

UNABLE TO ATTEND? NO PROBLEM.

Here are other ways to engage with our team:

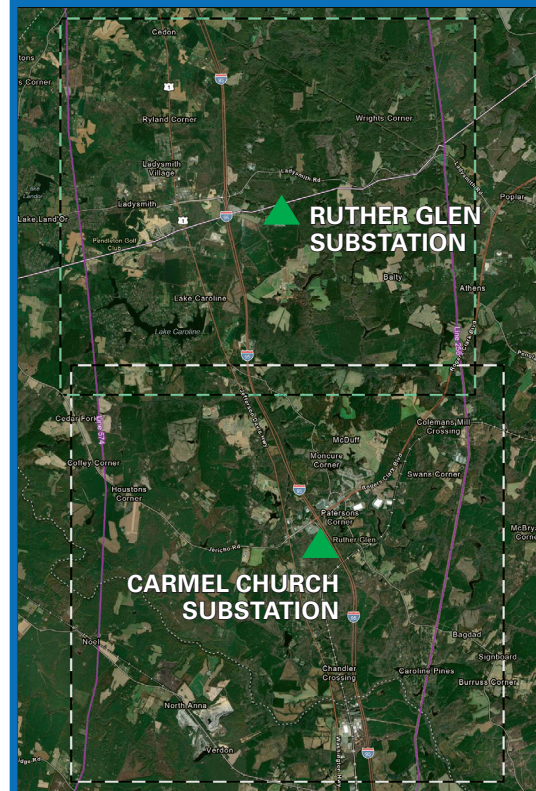

- Meeting content will be available to view at your convenience on our project website.
- Contact us by email or phone to discuss the project.
- Contact us and request a meeting with a smaller group in your community.

We look forward to sharing more about the project and listening to your feedback as we move forward with project planning.

Protecting the grid against natural and man-made acts is a top priority. You can learn more about our commitment to safety at powerlines101.dominionenergy.com.
