SAVE THE DATE — Join us at a Community Meeting

Tributary 230 kV Electric Transmission Project

At Dominion Energy, we are committed to keeping the communities we serve informed of projects in their area. On June 13, 2024, we held our first community meeting for the Tributary 230 kV Electric Transmission Project. At the meeting, we listened to feedback from neighbors and answered questions about the project.

MORE

We would like to hear from you again before we file our application with the Virginia State Corporation Commission (SCC). We invite you to attend a second community meeting on Tuesday, July 30, 2024.

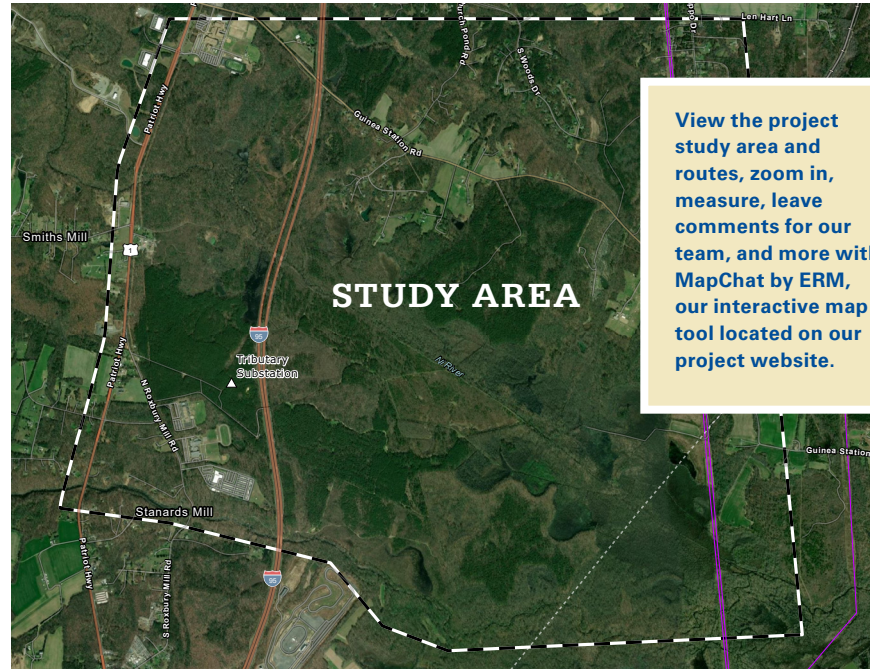

Our subject matter experts will be available to answer your questions and simulations boards will be on display. The meeting will be hosted in an open-house style. There will be no formal presentation.

As a reminder, one proposed route will be submitted to the SCC, along with alternate routes for consideration, for final evaluation and approval.

UNABLE TO ATTEND? NO PROBLEM.

Here are other ways to engage with our team:

- Meeting content will be available to view at your convenience on our project website
- Contact us by email or phone to discuss the project
- Contact us and request a meeting with a smaller group in your community

This map is intended to serve as a representation of the project area and is not intended for detailed engineering purposes.

View the project study area and routes, zoom in, measure, leave comments for our team, and more with MapChat by ERM, our interactive map tool located on our project website.

Protecting the grid against natural and man-made acts is a top priority. You can learn more about our commitment to safety at powerlines101.dominionenergy.com.
