

# Dominion Energy Ohio is now **Enbridge Gas Ohio**

**Our name changed, but our values and commitment to you are the same!**

**Safety** The foundation of everything we do is built on the safety of our communities and the environment.

**Integrity** We maintain truth in all interactions, do the right thing, take accountability for our actions and follow through on our commitments.

**Respect** We value the contributions and perspectives of others and treat everyone with unfailing dignity.

**Inclusion** We encourage diverse perspectives, celebrate our differences, foster belonging and champion fairness and equity.

**High Performance** We achieve consistently high levels of business success within a rapidly changing world.

# Welcome to the beginning of a new chapter!

Tomorrow is on! We pledge to use our century of experience to bring you continued comfort through safe, reliable delivery of the affordable energy you use every day.

## You will begin to notice changes in the coming months.

Building signs, service trucks and utility bills will change in appearance, but you can expect the same great service.

## At this time, the following will remain the same:

- How and where you pay your bill
- Your account number and managing your account online
- Budget billing and payment arrangements
- Service appointments
- Our phone numbers
- Agreements with your natural gas supplier through the Energy Choice program
