

Virginia Non-Residential Lighting Systems and Controls Rebate Application

Please complete the application and submit by mail, email or fax to:

Honeywell Smart Grid Solutions • Attn: DSM III Rebate Applications
7870 Villa Park Drive, Ste. 800 • Richmond, VA 23228 • dsm3rebateapps@honeywell.com • 804-515-1587

DEV_NR_LSC_Rebate_v0118

All LED fixtures must include documentation that verifies the DLC listing or ENERGY STAR® rating. All projects with LED measures require an initial assessment before any work can be initiated. LED Corncob and LED Retrofit Kits for exterior lighting do not qualify for this program.

Customer Information

Name on Dominion Energy Account: _____

Dominion Energy Virginia Account Number:

--	--	--	--	--	--	--	--	--	--

Service Address: _____

City: _____ State: _____ Zip Code: _____

Phone Number: (_____) _____ Email Address: _____

If I installed any LED measures, I have attached a copy of the LED specifications sheet which includes details about the technical data.

Technician Signature: _____ Date: _____

Dominion Energy Virginia Terms and Conditions

1. Service must be performed after June 1, 2014.
2. Customer is eligible for more than one rebate per location during the program time period.
3. Work must be completed by a participating contractor that is in Dominion Energy's network when the work begins.
4. All work with an estimated rebate amount of \$10,000 or more requires an initial assessment before the work can be initiated by a participating contractor.
5. Rebate application must be submitted within 45 days of the service date.
6. Program participant must be a Dominion Energy Virginia non-residential customer who is not exempt by statute, not under special contract, has not elected to opt-out of paying the DSM rider, is responsible for the electric bill, and is the owner of the facility or reasonably able to secure permission to complete measures.
7. Rebate payments are based on the date of service. Customers must abide by the rules and rebate levels in effect on the date of service.
8. Program procedures, requirements and rebate levels are subject to change or cancellation without notice and are subject to program funds being available and regulatory approval.
9. Dominion Energy Virginia and/or its designees including program administrators and evaluation contractors reserve the right to review installations to verify completion and measure energy savings to ensure compliance with all program requirements. Such reviews will be made at a time convenient to the applicant. Denial of such verification or misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate.
10. Payment will be issued to the account holder and mailing address on record with the utility unless the customer has authorized payment be made to the contractor specified in this document.
11. Please allow up to 90 days from the date all required information is received to process your rebate.
12. Service must be completed in accordance with all laws, codes and other requirements applicable under federal, state and local authority.
13. You are urged to seek appropriate consultation concerning any tax liabilities that could be associated with the receipt of the rebate.
14. Dominion Energy Virginia, its parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of the participating contractor.
15. The customer hereby agrees to indemnify, defend and hold harmless Dominion Energy Virginia, its parents, subsidiaries, employees, affiliates and agents from any and all liability associated with this project.
16. I understand that I may be contacted by Dominion Energy Virginia via survey or questionnaire to provide feedback on my satisfaction with the program.
17. Virginia Electric and Power Company (the "Company") retains all rights to energy and demand savings resulting from measures installed under this Program for a maximum of four years. The Company has the exclusive right to enroll, nominate, or offer a bid for energy or demand reductions resulting from measures installed under this Program into load management programs, demand response programs, or auctions operated by PJM Interconnection, L.L.C. ("PJM"), the regional electric transmission entity of which the Company is a member. The Company may share pertinent information of participating customers with PJM and with the Company's agents and contractors. Pertinent customer information includes, but is not limited to, account holder name, account number, energy usage and billing information, address, other contact information, measures installed, period of installation, demand/energy reductions resulting from measures installed under this Program and the technical basis for such reductions, loss factors, coincidence factors, interactive factors, building type and other information necessary to implement and monitor the Program including other information as required by PJM.

By signing this application, I agree to the above terms and conditions. I certify that I am the Dominion Energy Virginia customer and owner or lessee of the business described above, and that I am authorized to take action on the Dominion Energy account listed above.
